Mother, you were just a girl,
So many years ago.
You had your loves and had your dreams,
You watched us come and go.

You watched us make the same mistakes,
That you had made before,
But that just made you hold us tight,
And love us all the more.

We haven't always thought about
The things that you have seen.
To us you've just been 'Mother',
No thought of who you've been.

But we remember now in love,

Your life from start to end,
And we're just glad we knew you,
As Mother, and as Friend.

“ She was always the sweetest most kind lady. I spent a summer of my youth with her and she made me feel like family. Even later in life when I was a grown up and we reconnected. She always let me call her mama. She will be missed. <3<3
