

Glen Baldwin

September 9, 1962 - October 22, 2025

It is with heavy hearts that we announce the passing of Glen Baldwin, a beloved husband, devoted father, and cherished friend, who left this world peacefully on 10/22/2025 at the age of 63

Glen was the loving husband of Carla, who adored him deeply, stood by his side through everything, and loved him *bunches and bunches*, a phrase she often used to remind him just how special he was. Their bond was one built on laughter, unwavering support, and a quiet strength that shaped the life they built together.

He was the proud father of two daughters, Sarah Baldwin, his "Half Pint," Danielle Baldwin, who were the light of his life along with daughter-in-law Vanesa Rauch. Glen's love for his girls was limitless—his guidance, kindness, and steady presence will forever remain in their hearts.

The family asks that you honor Glen's memory by spending time with those you love, holding them close, and telling them—often—that you love them *bunches and bunches*.
