

## Jennifer Rebecca Spradley

May 8, 1980 - January 1, 2026

Jennifer Rebecca Spradley (Benner), 45, of Lake Wales, Florida, passed away on January 1, 2026. Jenny was born on May 8, 1980, in Carlisle, Pennsylvania.

Jenny was known for her kindness, infectious laughter, and quiet strength. She had a deep love for her family and found great joy and comfort in her dogs, who were truly part of her heart. Her warmth and caring spirit touched everyone who knew her, and she had a way of making people feel loved simply by being herself.

She is survived by her loving husband, Bobby Spradley, with whom she shared 27 years together; her children and grandchildren; her parents, Connie Seibert and Dan Benner Jr. and her sisters, Echo McPherson and Heather Dum; her nieces.

Jenny will be deeply missed and lovingly remembered by her family, friends,

and all whose lives she touched.

Celebration of life will be held privately by the family.

We take comfort in the hope that Jenny is now at peace, held in God's loving embrace, and that her love will continue to guide and surround us always.

“ You taught me so much in life especially how to stand up for myself. I have become such a strong woman being behind you. This has been so painful every moment I realize you're no longer here. We will forever carry you on in our hearts and mind. There is so many memories with you I can't stay sad long we have to many moments that were great laughs. I will never have that person you was to me in my life now that your gone. I love you Mama and I know you're resting and at peace now.
